

BELTER

2026/27

Parentage: Cosmopolitan x Laureate

Breeder code: SC70555X

Status 26: UK RL Approved F

FR, DK, SW, PL, ES, IE test

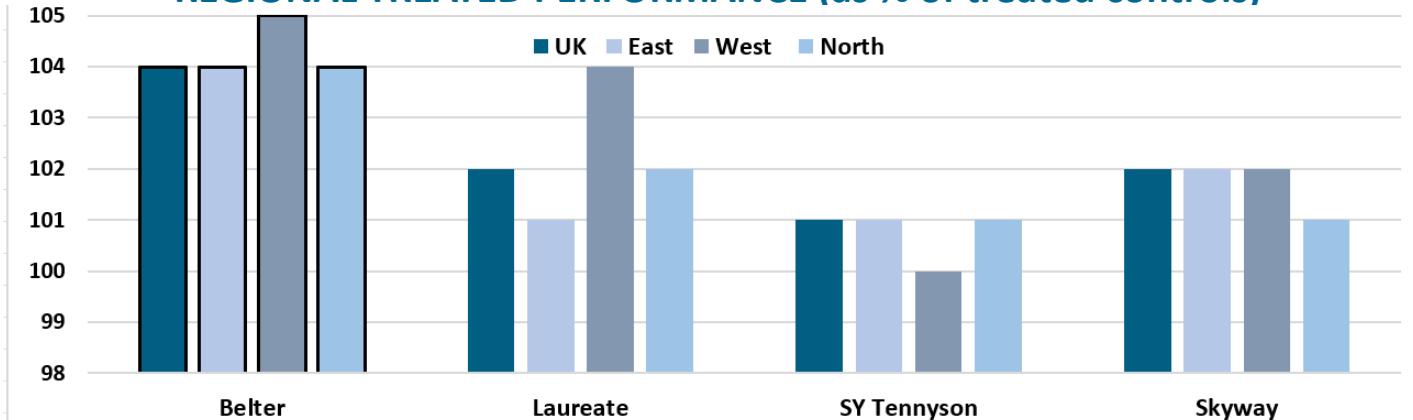

Spring Barley - Dual Use - Conventional 2 Row - non GN

Over the last 5 years **Belter** has performed reliably in the field, in the lab and in maltings.

With consistently high treated and untreated yields across all regions, **Belter** has proved itself to be a highly adaptable variety. With stiff straw, a high specific weight, low screenings and outstanding grain quality, Belter offers growers and end users a step up in yield and performance. **Why not try some this year ? It's a Belter.**

Paul Bury, Breeder

REGIONAL TREATED PERFORMANCE (as % of treated controls)

YEARLY & UNTREATED PERFORMANCE (as % of treated controls)

Spring Barley - Dual Use - Conventional 2 Row - non GN

- ◆ High hot water extract and spirit yield with very low screenings
- ◆ Good enzymes levels for brewing.
- ◆ No compromise for either brewing or distilling.

A true dual use variety.

Paul Bury, Breeder
